“ *Nancy and Boys: Roger and I have always been very fond of both your Mom and Dad. They shared many hours of laughter and fun with Roger's Mom and Dad and we were there for the ride. We enjoyed being a part of their lives over the years and we will remember your mom fondly and remember all the good times spent visiting with them both. Prayers to you and your families in this time of healing. Love Roger & Phyllis Graves*

“ *Dearest Nancy & Neal,
Even though we can't be with you today,
please know that you are with you in thought
and prayers. We only have one Mother, and
when she is gone, there is a void left in our
heart. Soon, that void will be filled with all the happy memories that
will carry you through the times ahead. No longer will you have to
see her suffering that dreaded disease, but know that she is with
Dad in her heavenly home, growing all those beautiful flowers to
add to the beauty of our heaven. Know that we love you, and will
see you soon.*
