“ *For the past 7 years it has been a blessing to spend everyday with
Mom. Seeing her flying down that driveway to make a nascar circle
around the yard... And to see how much she loved her dog Missy,
she would make special stops at burger king to get her and missy a
burger. She was loved by so many people, I can't begin to describe
how much Randy and I will miss her. :0(*

“ There are many things to express about my dear grandmother. She was strong, resilient and loved. Grandma Hope was happy working and helping those around her. Her beauty and love, as well as her commitment to her family, blessed us everyday.

I was at the young age of 8 years old riding on a bus in Peoria Illinois with my Grandma Mac and I looked up at her and said in a quiet little voice “Grandma are you going to die” and she said NO I will never die. A few moments past as I was looking out the window of this big bus trying to comprehend what she had said to me and then Grandma Mac said “You see Lance I will live forever through you and your children and their children until the end of time”. I still believe that today and tell my children the story of Grandma Mac. Your Grandma Hope will always be with you Mindy! God's Speed to the family,
Lance
