“ *you and your unconditional love for your frenids like Chandi are amazing.I am really amazed at how wonderful you are she is when you are together.It is a pity that you cannot come to ChristChurch and spread your inspiration around here as our non-human frenids have been completely unsettled by our continuing earthquakes.If I make it to England one day to see you and Chandi perform I will be happy to meet you and shake your hand.Watching your videos are so inspiring and bring happiness to our bleak days##imported-begin##Antje##imported-end##*

“ *I had the priviledge of working with Linda as her supervisor for 3 years. Linda always brought conviction and courage to everything she did. She was a loving grandmother and a dedicated public servant who dedicated her life to serving her country. No matter what challenges life through at her, Linda always shrugged it off, smiled, and went back at it twice as hard.*

Linda was loved by many and will be missed, but she is with the Lord now and reunited with her loving husband.

Rest well, Linda, I miss you. Deepest condolences to Linda's family during this difficult time.##imported-begin##Michael Martin##imported-end##

“ Oh, Dwanee and family, I am so sorry for your loss. I worked with Linda in Retirement Services. She and I had a great time setting up for Retiree Open House, and she put her all into all Retiree Open Houses and her service to all soldiers. Her compassion, and caring attitude for them made her the wonderful person she was. She was willing to do whatever it took to help soldiers, retired and active alike. I enjoyed working with her, her laughter was contagious and I always looked forward to seeing her. I have not seen her in several years and had no idea she was sick, please accept my sympathy for her loss. I am sure she and Herschel are having a great time up there!!! May God give her family comfort and peace. LTC Buckmaster, Lebanon MO##imported-begin##Cheri Buckmaster##imported-end##

“ Dear Family of Linda Carroll,
Altho I didn't know Linda, my heart goes out to you. Linda died at a young age. I know that when someone dies at any age tho it is hard and doesn't seem fair. Thankfully tho death wasn't something that God meant for humans. It exists because of Adam and Eve's disobedience. (Romans 5:12) God purposes to do away with death and to bring back our loved ones. (1 Corinthians 15:26; John 5:28,29) Also, soon in future there will be no more sickness. (Isaiah 33:24) May the Bible's promises bring you much comfort in your time of loss.
Sincerely,
Tracy Stafford###imported-begin###Tracy Stafford###imported-end##

Her smile a love she had for all will always touch us and those she knew. Prayers for the broken hearts left behind. God will let us be there with those who went before us some day.
