“ I have no words to say that will ease the pain for Lin's family. She was truly a wonderful, kind, compassionate, caring person. She taught me a lot about nursing, things that I will always remember. We worked together for many years, we shared a lot of laughs and a lot of tears, but I will continue to remember the memories. I send my deepest condolences to Eddie, Nick, Lorissa, and Mandy. Love you all. She will always be with you!

“ *Your Mother is always with you
Your Mother is always with you, she's the whisper of the leaves as you walk down the street, she's the smell of certain foods you remember, flowers you pick, the fragrance of life itself. She's the cool hand on your brow when you're not feeling well, she's your breath in the air on a cold winter's day. She is the sound of the rain that lulls you to sleep, the colors of a rainbow, she is Christmas morning. Your mother lives inside your laughter. She's the place you came from, your first home, and she's the map you follow with every step you take. She's your first love, your first friend, even your first enemy, but nothing on earth can separate you. Not time, not space.... not even death.*

“ Sad news and prayers for all the family and extended family and friends. I have many fond memories of my cousin, Linda, who along with Dick, Suzie, and Bobby made up the older "Fearsome Foursome" of cousins who hung together as a group dedicated to terrorizing all the younger kiddos of her mother's side of the family at Streck Family gatherings at Granny's homestead in Hennesey, OK and elsewhere. Even though our younger siblings may have been born only two or three years earlier, they just didn't rate promotion into our "preferred" group, LOL. She will be missed greatly. Please save us a room at the inn. It won't be much longer until we can all gather once again.
