“ *Dean I will never forget the summers in St. Louis. It was some of my best memories. I told Deb she yelled at me when we went to Six Flags because I picked a loaf of bread up from the bottom, which happens sometimes. The problem was it was in the trunk of her new Mustang. I will never forget the last time we saw each other, we hugged like it was the last time, little did we know. I will think of and love you till we meet again. To Dean's family.. I am so sorry, he was the best and was loved by so many. I know you will carry on his kindness and good heart.*

“ I am sorry to hear of Deans passing. I have known Dean since I was 6 years old. Growing up with him in St. Louis was some of the best times of our lives. Playing fuzz ball in Wilkinson School yard Dean would always try to dig his left foot into the pavement pretending it was dirt. We would laugh at Dean while giving him trouble, (Hey Dean are you trying to dig a hole to China) of course, Dean would tell us to shut up! And the multiple times we would go cruising around in his Trans Am and Z28 thinking we were on top of the world, and we were as teenagers and going on camping trips to Lesterville with all our friends. When Dean moved, we lost all contact, but it did not mean the memories, and the love in our hearts left us. He will always be there for every. I miss my friend!
