“ *I'm not from the area, so everyone I get to know is memorable to me. Louisa helped me with my propane orders over the years, and that's how I knew her. I will miss very much seeing her and talking with her and joking with her several times a year. It's not going to be the same ever without her.*

“ *When you get to grow up with cousins close by, there are always lots of memories. I think of the 6 of us (Me, my sister Teresa, Brother Frank Weezer, Clay, and Brenda) could all be together today we would agree that going to Grandma Nell's was the best. She knew the 90 acres they owned like the back of her hand and would take us on many adventurous hikes. We loved those special times together. Weezer will be missed dearly by all of us.*
