“ Aunt Weasy was generous with her heart and time and Not a Thanksgiving goes by that I don't remember all the work she did to make the holiday special! I forever remember the laughter and love she shared having me and Robbie stay at her house and the fun of her home, camping, fishing and making fur bugs, and her pet coon Tubby! Thank you Aunt Weasy for loving your family so well!

“ Her love of fishing was known by all who knew her. She was a woman who was always trying to feed you if you visited her home. Her smile & laugh were infectious. This world has lost a precious gem while heaven has gained an angel. She was loved by many.

“ She will always be Weasy to me! She was always kind. She cared for her parents and her brother, my dad, with the care that I've never seen by any other. She cared for my kids in such a way that they will always remember. They loved going to get candy and borrow movies to watch at Grandpa's house. Weasy was just wonderful. Love, Suzanne
