“ He was a great uncle. I remember when I turned 16 he grabbed me and through me down on the ground and spanked me 16 times and pinched me once so I would grow an inch. I miss those days when we would run up to his house from our grandpa's to play with his kids. He will truly be missed. He will always be in my thoughts. Love him so much.

“ One of my favorite memories was all of us (Matt, Tommy, and the kiddos) fishing down at 133. We had an absolute blast that day. Also going to miss coming home from work every day and him asking about my day as I walked in the door. We miss you Uncle Bud ❤️
