“ Mabel was a huge part of my life from the time I was 8 years old. I was at the Wilsons house every day from then until I was 13 years old and we moved to Alaska for 2 years then again was at her house every day until I got married. We have stayed close. I remember her teaching me how to fish and how to catch crawdads. When you were with Mabel she taught you all about anything growing. My mom would always say to me if she said things were one way I would say well Mabel says its this way and mom would say I know Mabel knows more than I do. I just loved Mabel so much she could never do no wrong in my eyes. I love you very much Mabel and I will miss your kind soul always. Remember all of you kids that my heart is so broken for your loss. I am glad she always had a smile on her face and a kind word for you no matter what.

“ I met Mabel for the 1st time a few years ago in the Idumea Church. She gave me the biggest hug and I never saw her that I didn't get the same. Her kind and loving words always warmed my heart. One time in Sunday school class our lesson was, when was the most unhappy time in your life. Her answer was, I've never had one. She said God had always blessed her with happiness and she chose to see good and be happy in all God put in her life. I will never forget her words. And when she sang for the Lord, I always knew it was this very special angel sitting a few rows behind me. I will miss her so much. 💕🙏

Mabel was a special lady. She and her family were our neighbors for several years. Couldn't have asked for better friends and neighbors.
