“ *Linda and family,
We send our prayers and condolences to you and your family during this difficult time. I will truly miss (mom) . When I would come over to mow the yard, she would say that I manicured her yard, that it was the best in the neighborhood and she always had that beautiful smile, even when she did not feel well. I'm so glad I had time to be there to brighten those days with her. The memories I will cherish for ever in my heart.*
