“ *Oh how sorry I am to hear of my long time friend's daughters passing. There are no words I can say to comfort the heartache I know you have experienced Carmen. I have only brief memories of you beloved daughter when you and Mark lived on post. We have been out of touch Carmen but never have you been far from my heart. I hope and pray that you have found strength my friend. She will be well taken care. Her flower will continue to bloom just not here on earth. I love you Carm! God Bless you and your family.
