“ *Marsha and I lost contact after she got out of the USMC and moved to Eugene, OR. We were classmates in OCS and Basic School at Quantico. We served together again at MCAS Yuma, AZ. Marsha was a bridesmaid in my wedding. She later was transferred to Twenty Nine Palms and I to Quantico. Marsha was a wonderful friend and we shared a love of cats. She had a gorgeous Siamese she called Minette. I've never forgotten her, tried to find her to no avail. I happened to search her name today and found she had passed in 2018. I've missed my friend. May she be at peace.*

Hi Marie - I met Marsha's cat minette in Eugene OR. She was a wonderful friend and I still miss her dearly till today (Dec 2024). She flew all the way to Singapore to attend my wedding. I'm so glad she did. She would always say, "oath friend" to me. Well, we will meet again in our next lifetime.

Hi, Wilson, Yes, Marsha was a great friend. I still think of the good times with her. Her dad was Army and for sometime they were stationed in France where she learned to speak perfect French. One day, in Basic School, our drill instructor, who was originally at the language center, said something negative about our platoon in French. To which Marsha put him in his place with a retort in perfect French!! She was a dear sweet friend. I'm sure we will all meet again.

“ *Marsha and I were good friends in Eugene from 1987-1991. She was also my teacher and mentor. When i got married, she flew down to Singapore for a trip of a lifetime. We shared deep philosophical discussions together. May she rest in peace. Gone but never forgotten.* ”
