I (Wes Plummer) was not able to contact on the phone. Tonight I looked him up on the internet and found he had passed two years ago. You - son, grandchildren and friends have my sympathy. I went to Washington High School with Marv. He was my best friend. We played golf together every day all summer for many years at Elmwood golf course. Marv was a good golfer and a good friend. I saw him last at our 40th high school class reunion. Sorry I couldn't tell him good bye,, phone 701-720-5802 in. Minot ND.

“ Marvin was a fantastic gentleman I first met him when I went to get my membership to the golf course on post in 1997, He was the most accommodating govt. employee and just a wonderful guy, when he retired I found him up at Deer Chase and he was the same friendly gracious guy up there, I will truly miss Marv and my sincere sympathy goes out to his family. Gone way to soon !!!!

“ Chris, I always admired how your family had three generations at our car club events. I know your father had big part in that. You definitely had a blessed life with him. Our prayers are with your family.

“ Marvin will be missed. He was a great mentor to a lot of the children that grew up this area as the owner and operator of Buckhorn Bowl for several years. I had the opportunity to work with him, his wife and son, they were great people to work for. He always had a smile on his face and a kind word for everyone.
