“ Just ran into your name on Geni.com, and saw the "C" for curator, but not the purple square. It was only now that I realized your physically not with us anymore. Apparently, I was out of the loop. Watch over us all. Sincerely, Mimi A.

“ Rest in peace, my dear friend. Here's a tot of rum to send you on your way. Just think! No more pain and you can enjoy old pleasures once more. Keep looking down on your Curator buddies and keep us from making any silly military record blunders.
