“ *My name is Joanne, and I am a former neighbor of Gene and Mary when they lived down the street from my family in Rolla, MO. During that time, Mary befriended about 5 elderly people in the neighborhood. She would check up on them often and go visit them and bake goods for them. She loved to banter with them and make them laugh. Needless to say, her listening ear endeared them to her, and their lives were enriched because of the friendship that she extended towards them. I have never met anyone who was more kinder to the elderly than what Mary was during their time in our neighborhood. But not only their lives, but my life and my family's life were enriched as well. We love you, Mary!*
