“ *There is no one in this world like your mother. She was a special woman and she will be missed, but she will be with you always.*

The bond between your mother and you is unparalleled. The support she gave you was so crucial during those adolescent years it molded you into what you are today.

So when you look in the mirror her memories live on, first in her lifetime, second forever in your memories.

Angie you and your family are in my prayers, and all of you have my deepest sympathy at this time... Allan J. Barnes
