“ *Matthew and Isaiah were my youngest brothers that I loved so dearly. There were nights where I would tell myself that I wasn't good enough. When I heard about the fire I automatically broke down. But no matter what the memory of them will always be in my mind, and I will continue to live everyday as if they were still here. I love you Matthew and Isaiah. —Kayla Johnson— (Their big sister)*

There is no way to grasp the level of pain this family is feeling. "For this God is our God for ever and ever: he will be our guide even unto death" (Psalm 48:14).
