“ Megan and I were in a Thursday morning Bible study together. She was a joy to be around! She went out of her way to help others, whether it was processing food for the hungry, cooking meals or doing extra chores for others when she could. I miss her.

“ Megan and I chopped a lot of fruit and vegetables to feed the hungry. She could make wonderful pies. She had the most beautiful smile and will be missed by our Food Savers group. She was always kind and helpful to us old ladies and oh so patient. I am so sorry for her family's loss and pray that this gives them some comfort to know she was loved and added meaning and purpose to our lives.
