We are so saddened to hear the news of Dean. We often share stories of his time with us and what a blessing he was to us. No matter what job he was asked to do his response was always that he loved to do that job. Strong work ethic from the start. We enjoyed hearing of his family whom he loved and his successes in life. Please know you are in our thoughts and prayers. The Brooks family of Wolcott, Indiana.

“ Barbara,

I am so sorry to learn of Dean's passing. Words cannot express how sorry I am to hear of this. You and Dean were the best of friends during mine and Kerry's time at Quantico. Your friendship helped us live through a dark period in our life while Kerry was battling leukemia. I have fond memories of our time with you guys, Dean playing his videos games, me and him training for the marathon, and our very adventurous days on the golf course. I still have a vivid picture of the ball we attended and then we all went to Taco Bell in our Blues. Dean was one of a kind and I am deeply saddened that he is no longer here with us. Semper Fi my brother, rest easy and well.

“ Dean, my Brother, my Friend, a trusted and treasured life guide, I stand all amazed at the growth the Lord has brought you through in your life.
I thank the Lord that you are no longer in pain. My heart does sorry and long for conversation with you. But that will happen again. I know that you wanted to be here for Christmas. But I also know that you said celebrating Jesus' birthday with Him was definitely a win for you. Now, dear Brother, you are experiencing what the rest of us hope for...being in the presence of the Father and the Son!
Thank you...thank you💜🙏💜
Rest easy Brother, you have fought the fight.
I love you

“ Mguns Cook was an absolutely awesome Marine brother !! Being that I was a high strung 1stSgt, Mguns Cook had an easy way if nonchalantly calming a situation. I saw him as a true mentor that I could rely on to give me the straight truth. He was definitely one of my favorite Marines that I gave ever has the honor of serving with.
You will be greatly missed brother !!!!

“ Dean,
People always say, sorry for your loss, when you tell them about a close friend or family member passing. But I don't see it as a loss. I will never be sorry for meeting you. For getting to know you over 15 years. Talking on the phone, gaming, helping each other through real life issues. Most of all, meeting and talking to your family. Loss means you lose something but you gave an irreplaceable gift. Sharing yourself with your family and friends. Sharing your life with Barb and making a family most would be jealous of. You gave more of yourself to more people than you will ever know. I feel sorry for the loss of the people that will never get the chance to know you .And with that, Tarawa, rest easy. Bigpapapump, Yubbyubb, Helldozer, Fallenangel, and The Horde have this one. We'll look for you in Orgrimmar the next time we're there.
