“ *I am so saddened to read of Michael's passing. He was in our preschool class in Waynesville back in the 80s, and he was always such a precious child. I'm so sorry for the family's loss, and I'll pray for your peace through this time of grief.##imported-begin##Kathy Hess##imported-end##*

“ Mrs. Balboa,  
We were so sorry to read in tonight's paper about Michael. Wish we would have know sooner so we could have attended the service. James has fond memories of Michael on his Kawanis soccer team-- Michael was such a great player and had so much potential. Whenever he came into our business for help with his car, he was always so polite and respectful. You are in our prayers.
