*I was honored to be engaged to Mike in 1995. I was so in love with him. And so proud to be his chosen. Something happened inside him when he left the Air force. It changed him. I lost him right after that. He left and I couldn't find him. He never said good bye. It was such a devastating lose to me. I loved him so much. I loved his mother and sister too. And I lost then. If you ever read this Laurie, Lisa Harris Price. Wichita falls Texas 9408821188. So sorry for the loss of such a good man.*

“ I met Mike in the summer of 1985 at his dad's place at Lake of the Ozarks. I was a friend of the King family next door. It was a weekend of great fun and laughter. It was a weekend I have carried with me my whole life, knowing I had met someone special. I'm sorry I am just seeing this. I remembered him and always wondered about his life and what if.

“ Hi There,

*My name is Jeff Mueller. I was stationed at Beale AFB, California 1978 - 81 with Mike. We were lieutenants then. He and I became friends and classmates at Golden Gate University in their MPA program. I remember his porsche 914, playing basketball and parties. He was a fun guy with a great sense of humor and I always wondered what happened to him until I googled his name just now. Rest In Peace, buddy. I wish I could've said goodbye to you in person.*

“ Knowing Michael George and his wife, Debbie, when they were stationed at SAFB in Wichita Falls, TX. was a wonderful time in the lives of me and my family. We are grateful to Michael for his service to our country and for bringing Debbie here to be part of our lives. Debbie and her daughter, Skylar, are still very close to me. I will always remember Michael as a fine gentleman and I am so grateful to him for bringing Debbie into my life. RIP
