“ *Mike was my first boss working labor on a construction site when I was a teenager. He was always great to me but I hadn't seen him in a long time. He and his wife were good friends with my parents, and I always appreciated how nice he treated me at my very first job. Keep an eye out on all your loved ones up there, you will be sorely missed.*

“ Betty and I want to tell all of Mike’s loved ones how sad we are for your loss. He was such a nice guy. I loved broadcasting his football games with that long blond hair flying from beneath his helmet. He was indeed “Golden”. And then there was the time his brand new truck didn’t hold on Susan’s driveway and rolled across the street into Betty’s brand new house. What a laugh we had. I last spoke to him in May. He was planning to finish the houses started and then retire. We are so disappointed that didn’t come about. He is with his dad and our daughter now. We’ll see him again. Luvya

“ *#83 was a great player and easy to coach as well as a challenge. Mike was so full of life; He lived and played with a very positive attitude. He and his team mates kept the coaching staff on their toes all the time and most of that was not just football related. Get some of the team mates to tell about their game on post versus some G.I.'s on a Sunday night (during the season). I am glad that we were able to stay in touch, Mike will be missed.*

“ Mike loved life! Family, friends and community were important to him. He cared about so much and was a fierce advocate when it came to promoting building trades, youth hunter's safety, conservation, Janet's Wish, youth sports, fishing and community. I loved when he announced Friday night football.

There are so many, many things I could say about Mike but the biggest was his love for Charli. I will forever hear his voice calling Charli "Babe" when talking to her. I witnessed firsthand how deep his love for her was during the long wait for her heart transplant.

He made me smile and laugh. The many texts and phone calls about morel mushrooms, our hometown, the state of skilled trades, gardening, and solving life's problems will remain at the forefront as I remember my friendship with Mike.

Dagummit Mike, I will miss you!

To all of Mike's family and friends, especially Charli, I am sorry for your loss and will continue to keep you all in my thoughts and prayers.
