“ I met Mike back in 1973 when we both were medics in the Air Force at Petersen AFB in Colorado Springs! We became like brothers and kept in touch with each other for 50 years! Thankful to God that we met several times over the years on some vacations, the last time in May 2023! Gonna miss my friend for life but looking forward to seeing him again with our new eternal bodies!! Rest easy my brother!!

“ My heart is saddened by the loss of my cousin Mike. We shared many fun times in Coulterville when we were young. Mike loved the Lord and loved others as Jesus loved Him. May God's love give Susan and family peace and comfort during this time of sorrow.

“ I really hate to hear this. Mike was in my class at school. We were friends if though we didn't talk to each other that often. I will be praying for his brother's and his wife, kids & grandkids. We had so much fun in high school and every time I think of him I smile. I lost my husband In June, so I know how this hurts. Say hi to Pat Mike up there in heaven.
