“Hearing of Mike's death was sad for us. Chuck enjoyed his friendship in college, and after his time in service and marriage, the 4 of us continued as good friends, including time waiting for our first babies which were only 2 months apart. Also, so great in our memories, were times spent at Wilderness Ridge, enjoying adult company and watching our kids be together in one adventure after another. Chip, Shane, and Tara- you are wonderful people and we will always wish you the best of everything. Our thoughts are with you this day, even tho' we can't be there. Your Mom is very special to us and hopefully we can see more of her as she lives closer. Be at peace that Mike is no longer struggling with the things that he dealt so long with.

*Love, Chuck, Jody, Ericka, and Lori Hoffmann*

“It's been many years since our paths have crossed. You lived at one end of Amelia street and I lived at the other end. Rest in peace my friend.
