“ *It is with a heavy heart that we learned of Mike's passing. We shared many laughs with the entire Miller family at Charlie Brown's years ago. Recently, the Millers came up in conversation while recalling the unique names of "Bud" and "Blossom" and the whole clan enjoying bay crabs and beer at our favorite watering hole. We often wondered whatever happened to the Millers. Here's hoping the rest of the family is doing well. We will always remember that no matter where we are, it's always "Miller Time" somewhere!*
