Mike, Life passes us by so quickly. It seems like no time we were graduating from MGM in and down at Gulf shores have the time of our life, at least we thought that at the time. You were a good friend. Until we meet again. Rest in peace.

“ *Can't count the meals he and Jimbo shared at our kitchen table with my boys. Mike was always a sweet, yet mischievous kid just like mine. Since he moved away I haven't gotten to see him in years, but he has never been, nor will he ever be forgotten. Prayers for the family. All of us down here love you all so much.*

Mike was a sweet man. I didn't know him but I did long long enough to know he was a sweetheart. He is now with his mom and dad. Ohhhh what joy that had to be. We will see all of our loved ones again when it's our turn. RIP MIKE we will never forget you. Hugs.

“ Mike is my little brother, he was so full of life and such a fun person to be around. He loved his family with all his heart and would do anything for anyone. He was a Huge Bama fan, we would call and text each other during games and say did you see that???
Roll Tide Roll!
I don't know what to do without him here for me to call anytime I wanted to talk to him, just to hear his voice.
