“ Our Father, We Ask that you Provide Comfort for the Family during this Season of Bereavement:

Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort. Who comforts us in all our tribulation, tha we may be able to comfort those who are in any trouble, with the comfort with which we ourselves are coforted by God. For as the sufferings of Christ abound in us, so our consolation also abounds through Christ. 2 Cor 1:3-5

“ I totally didn't get to proof read what I wrote. And I'm not sure how to contact whoever made this. But if you could email me what I wrote so I could revise it. I'd appreciate it. And I didn't want to be the first one to post something to say about him. But I felt someone needed to and if nobody is going to. I will. ./ idk.

“Mikey was such a good man. Always helping out anyone in need even if it put himself out. He had such a huge heart. Never asked for anything. Always gave. He was more than a great friend. He is a beautiful soul. Such a peaceful man. Such a loving man. He'd tell me everytime I'd see him. How he wanted a woman like me. I wanted so bad to find him a good woman. Someone to hold him up and keep his head up when he felt down. That's all he needed. Was a good woman to keep his head on his shoulders. Well. Maybe she was in the clouds waiting for him this whole time. I've taken this pretty hard. He was such an amazing guy. And I never got to tell him that. He would always hug me and kiss my head and compliment me. Everytime he'd see me. He had such a big heart. A kind heart. I saw so much going for him. I know I'm posting stuff about him. And I haven't seen anyone else get into detail about how they feel. Well. Im not just going to hide it. Or wait for someone else's feelings. He's gone. And if someone doesn't step up and talk about him first. I will. Maybe I'm outa place. But I loved Mikey. He was such an amazing best friend. Always there. Even popped up in awkward times. XD rajhrah our dog was like his bestest bud. I never saw this coming. I thought he'd be here to see Luna grow up. To play with her. And it kills me that the last few months sense we had her. He had been going thru so much and had only seen her twice and not even hold her.... It kills me. It's a lot to take in. And I wanted to wait. To let someone else chime in and pour their heart out about him. I thought someone would by now. But excuse me. Pardon me. If I'm over stepping my place. I just had to say my peace. A good man is gone way too soon. And my heart was going to explode if I didn't let this out. Don't grieve in silence. Let it out. And let other people know their not alone. There's so much I regret. So much I wish I could have changed. But that's life. You'll feel that way forever. We just have to remember all the good times and whisper to him that you'll be with him again. And maybe next go around when your souls meet again. That things will be better. He was going thru so much the past two years. So where he is now. Is a much better place then what he had going on. I wish

it woulda turned a different corner. But God said. No no. You have such a good heart. Even for the evil people. You need to sit next to me. And be my right hand man. So as sad as it is that he is gone. He now has the best arms to be in. He's safe now. He's happy now. And I'm going to tell lances and my daughter so many things about her uncle Mikey. How he loved her so much before she was born that he gave her bunches and bunches of toys and outfits and even the bed she sleeps in. He loved her so much even before knowing who she was. Just a little body inside me. Never seen her face and he was bending over backwards for her. And I wish he could have actually met her. And actually got to know her. Watch her grow. And so much more. I'm not looking for anyone to respond or anything. I put my story out there about such a beautiful hearted man. And I encourage you all to do the same. I cried balling my eyes out typing this. And it's good. I can feel my soul being lifted. The weight off my shoulders. It will always be there. But now it feels easier to carry. If you keep it all cramped up inside. It'll eat you alive. There is so much I wish I could have done differently. But that's not what is important. It's what he did for us. How he made us feel. We are not the important ones. And as long as he called you friend. You were always in his heart. Fights or no fights. Talk or no talk. He loved you. He loved us all. And love is one thing we all share. So. Let's share all the love that we have to make the best of a horrible situation and reminisce on all the good times and let em all out. Share our stories so we know we are not alone. So he knows he is not alone. That he is loved more than anything. He'd want you to think about all the fun yall had. About all the shit he'd get himself into. Lol. Go

“ *Michael, you were the nicest and sweetest young man. I will treasure the love you showed me and Raven. You never failed to ask about Raven and Taylor when we seen each other. You were a thoughtful and kind man. I counted you more like a son, I was and continue to be very proud of you Mikey. You are the sunshine in your Mommas heart. You were taken way to early Mikey. I pray for your family. Your Momma and your immediate family and friends are in shock. Mikey soar with the Eagles my friend. Our family will miss you. Love, Retha and Mike Bennett*
