“*Mr. White and I have known each other for the past 13 years. I was a Drill Sergeant in 2005 and he helped me and then I returned in 2016 and Mr. White was still the same. What an amazing professional and I am truly saddened by his passing.*

“*I am so shocked and saddened to learn of Mike's passing.*

*I had the honor and privilege of working alongside Mike for many years as his Division Chief at Fort Leonard Wood. Mike was dedicated to serving our nation. Anyone would be hard pressed to find a more dedicated and committed public servant than Mike. He did so much to help our Soldiers and their families, and he touched the lives of literally thousands of people.*

*But even more importantly than that, Mike was truly a good person. In all the years I knew him, I never once ever heard him say anything bad about someone else. Mike was a family man who loved his family and his friends dearly, and would do anything for them. He added so much to every life he touched.*

*To Mike's family - I am so sorry for your loss. You are in our thoughts and prayers. I know that Mike's friends and co-workers at Fort Leonard Wood are thinking of you during this difficult time and will help in any way they can to ease the sorrow you are certainly feeling.*

“ *In the early 1980's SFC White was my supervisor at the 43rd AG Bn. He was one of the nicest supervisors I ever had on post. He was kind and caring and treated everyone with respect. To the family of SFC White I offer my deepest condolences.*
