“ Dear Virgie,
We are so sad to learn of your loss. Know that your friends throughout the country are thinking of you. We pray that you will feel supported by our love throughout the coming months.

Dave & I continue to enjoy our home and dock near Warsaw on the Lake of the Ozarks. We're involved in church, Lions Club, Bass Club, the Historical Society and the Youth Coalition. Despite the joys of this location, we have decided to move near family in the Roger-Bella Vista-Bentonville, Arkansas area and have our home for sale. Few lookers. We continue our Waynesville friendships through fishing trips with Bill Davenport, Tom Murphy & Jess Grizzell and my pen pal Karolyn Lercher. Just last week I sent a recommendation for a play for PFAA to Colleen Knichel. We want to stay connected to our friends! You are and will always be our friend and we'll continue to be concerned for you no matter where we may move. That's the military way, right!!

Best wishes always our dear friend!

“ So very sorry to hear this news about Mike, Virgie. Craig and I enjoyed the times we talked with him, while at Fort Leonard Wood. He was a lovely man and very knowledgeable about "Canadiana" facts & trivia! You are in our thoughts, Jane Flood###imported-begin##Jane Flood###imported-end##

“ Dearest Virgie,

Our hearts go out to you and your family on the loss of your beloved, Mike. He was truly a gentleman and a Gentle-Man! We treasure the memories we have of you and Mike during our three years at Fort Leonard Wood. While you were "out front" supporting the military community there, Mike was supporting just as strongly from his quiet place in the rear. I will always remember his ready smile. It was also a joy to see you both at Mass many times at the post chapel. So many fond memories to treasure always.

Our love and many hugs to you, dear friend. May your beloved Mike rest in peace in the arms of Our Lord and may he be right there at Heaven's gate to greet you one blessed day.

*Love,
