“ *Mike was a very honorable and decent guy. Mike was kind, respectful, with a great sense of humor. We shared many experiences and conversations during our capability development careers. My wife Staci helped him pick out wallpaper when he built his house. Friends like Mike are a rare thing. Rest in peace and my deepest sympathy goes out to his family.*

“ *I had the honor and privilege of working for Mike. He was a great boss. Over the years, we had lots of laughs. We also had many great talks about a variety of subjects. Mike loved his kids, his family, and baseball. Rest in peace my friend, Kari.*

“ Mike was a stalwart member of our combat development team at Fort Leonard Wood. He would professionally take on any task with a smile. I am saddened for his loss and my prayers go out to his family and friends. Vern Lowrey

“ Mike and I started working at Fort Wood at about the same time. He was still in uniform then, a Signal Corps Captain if I recall, and he then transitioned to Civil Service. Mike was a great guy always wanting to joke with me. I bought a 2005 Mustang convertible with a 300 hp V6 engine and a 500 watt stereo. Mike always told me I had purchased the wrong combination. He said that had I bought a 500 hp V8 I would have been able to listen to the music of its exhaust instead. I told him that since he was driving an older Ford F150, his opinion didn't matter. Rest in peace Mike.
