“ Oh sweetie, I love you so much, I just hope you know how much you meant to us. You came into our lives and you were so easy to love.

You gave us a beautiful grandbaby and I was overjoyed that day I held her and you were at my house, she turned her head and she was your spitting image.

You were so strong and sweet, it still amazed me how wonderful you did giving birth to Lilly.

Still can't believe your not here, everyone will always miss you. You touched so many lives, and we were thankful that you were in ours.

Rocky and family, we send our deepest condolences to you all. And may God be with you to help you heal, our prayers are there as well.###imported-begin##Cindy Neu##imported-end##

“ I am so sorry for your loss of Mincha. She was in a couple of my classes. Mincha was cheerful and had had a great smile. She also was willing to share her opinion. The last time I saw her in May, she was so happy about her baby and being a mom. Please know there are many here at school who will miss her and wish only the best for all of you.###imported-begin##Diana Atterberry##imported-end##
