“ *I am so sorry to hear about the passing of your mom Peggy. She was like a mother to me for many of the years I spent in the old neighborhood. I will always be grateful for her loving kindness toward me and all the fun times we had. Please give my love to your dad, Joe and Karen.*

“ *I have so many wonderful memories of my grandma. One of my favorites is when she would take us to the tropical bird store to see the Parrots. Mona liked to wear dangling earrings. One of those trips after letting a parrot climb all over her she realized she left the store with only one earring.*

“ Aunt Mona was always my favorite Aunt! I used to go out and spend the night with her and she always let me watch Mary Hartman and she always let me stay up as long and as late as I wanted. And we would go out garbaging and have so much fun. I Love you and can't wait to see you again! I can just see you running to see Granny and Papaw and Aunt Lou, Uncle Sam and so many more. You will be greatly missed! Love u
