“ *I still think my brother till this day! Can't thank Montana for creating this biggest gaps for me to run through and score touchdowns as he'd pancake 4 or more defensive tackles at a time haha. After every football game my father Coach Davis and I would drop him off in the church van while BIG Montana and I would play madden on the PlayStation 2, ahh great times.... You'll forever be in my memories my brother!*

I'm so happy we were able to meet Montana when we came to visit a couple of years ago. I remember that he was very handsome and was very polite and charming.

I can't imagine the pain and grief you must be feeling, but please know we are thinking of you and care deeply. We plan to visit again this summer. Take Care.

Much Love,
