“ I did not teach with Myrna, but I did bowl with her! What a great bowler! I was in awe of her left hand bowling. Her ball would follow the gutter, then turn at the last moment to make a strike over and over again. Amazing to watch. She was a wonderful woman, kind and compassionate to my handicap son, who also bowled. So sorry to hear of her passing.

“ Myrna was at East Elementary when I first came to teach at Waynesville in the 1980s. She was always prepared and professional. Although, I was much younger, we became instant friends. One reason is that I shared the same name as her daughter: Nadine.

I did my student teaching with Myrna at East Elementary back in the 90's. She taught me a lot. She was compassionate, caring, and a no nonsense teacher. This helped make my teaching years a lot easier. She was a wonderful lady. Prayers to the family.
