Wow - Those pictures brought back some memories. Carol Ann - I never realized how much your mom and your smiles are alike. Thanks for sharing the pictures with us. I so wish I could be there to help say good-bye. I love Nancy Belle, she was a fantastic Aunt and it brings me comfort to know that she and her sisters are up there sharing a cup of coffee and gabbing around the table like they once did. Sending love and hugs from Minnesota.

I will miss Aunt Nancy so very much. I haven't seen her since Aunt Bernice passed away. I always enjoyed going to her house often when she lived in Galena. Aunts Doty, Bernice and Nancy were all 3 great ladies. I know we were poor growing up, and my dad, her brother Carl, would let my 3 older brothers and myself go there to her place every Christmas. She always had a foot-long candycane for each of us. That was our Christmas treat every year. Her bday was 2 days before mine, and I felt like she was my bday buddy. I was honored to share her name, as well as Nancy Jo's and a part of Bernice was in my middle name of Denise. I can't recall the last time I saw Carol Ann or Raymond Lynn in person. Families move and change, but the memories last forever! Prayers of Comfort and Peace to all of y'all.

“ Ms Nancy was a beautiful lady that I was so blessed to get to meet. I always looked forward to our trips together and loved when she would grab my hands and hold them when she would talk to me while we were waiting. One day I stopped and got her an ice cream before we came back and she was in heaven. I will miss her smiling face and her colorful shoes she had that I jokingly teased I would sneak away with. She always got tickled about that. God bless the family and may God heal the hurt. Prayers for you all.

“ As tiny as she was, Nancy was a big presence at the Waynesville/St. Robert Senior Center. She was on our Board of Directors for many years and also served on the Pulaski County Coalition on Aging Board. She always sat in the same place every day. I will never look at that spot again without thinking of her. She went to the florist every month and picked up flowers for the Birthday celebration. She was very involved in the activities at the center. She will be greatly missed. Such a sweet person but she had a little ornery spark in her too. Kept me on my toes. My condolences to the family. I pray you have many happy memories to get your through this time of mourning.
