“ I just found out about your passing, this breaks my heart. You were always so nice to me and never failed to make me laugh. We didn't talk daily but even after school we would chat periodically. I had wondered why I hadn't heard from you and couldn't find your Facebook. Much love my friend. You will be missed always.

“ *My family and I are sending our deepest condolences to you, Mary and Marvin, and your family. We are holding your family in our prayers and pray God can bring you peace and strength to you all during this difficult time. I knew Fonzi when we lived at Fort Riley, Kansas. He was very young back then and enjoyed playing games with our youngest son Stephen. Our families became friends and I am grateful we have stayed in touch all these years. Fonzi was a good person who loved his parents, family, and friends. I know that Fonzi's loving spirit and the wonderful memories he gave to all of us will resonant for many years to come. May Fonzi rest in eternal peace and know that he is and was loved by so many.*

Love,

“ *Mary & Marvin - - Christina and I are so very sorry for your loss... You all have been like a second family to me growing up and it feels like I lost a brother. So many mixed emotions about how this happened, but know that we are thinking of you all and hope that time will help heal the pain. Sadly we will not be able to attend the services, but hope to visit with you all when back in the area if possible. So many good memories of Fonz - - lots of laughs, lots of dumb ideas and stunts...will miss my friend...*

Love to you all - - Ryan, Christina, and the girls
