“ *My son was the most caring, loving soul anyone has ever met. He always found the positive and sunshine in every negative, dark moments in life. I will miss his smile that shone through his eyes and the warmth he brought from his heart.*

My deepest sympathies to you & your family. Nick & I never met in person, but became online friends from our mutual enjoyment of Youtuber Omar Gosh. I prayed so hard for God to heal Nick, but I guess He has had his reasons. Nick told me how much he love you & his wife and how you both took such good care of him. My heart is broke knowing my sweet, brave friend is gone. I had a feeling he passed, but I wasn't brave enough until today to look for an obituary. Try to find comfort in memories & photos. Once again my deepest sympathies & much love Susan Shaw
