Although it had been awhile since we seen each other, all I have to do is close my eyes and I see your sweet face.you were truly what I would have wanted in a sister. Love in every since of the word. My husband and kids truly loved you too. Mom and dad wait in heaven with arms wide open to welcome you. Fly like a dove free and happy.

To this day I still talk about her and how much I loved her cooking. One of the sweetest ladies I’ve ever known she will always be in my heart.

“ I so loved this lady. She could surprise me at times too. She would make her fried rice and cucumber kimchi and she had me make lasagna. What a pair! Rest in Peace, my dear friend.
