“ *My sincere condolences to the family of Mrs. Pansy. You may not remember me but throughout the past 30 years it has been my pleasure to know and have worked with each of you in some capacity. It was as a church member and deacon, softball umpire working games or tournaments on post or at local cities and both my late wife (Joyce) & I working in the hospital. I only say that now because I never knew all of you are siblings. I see and understand now that you all received your fantastic qualities and values from this great lady and mother. May God give you peace, comfort and the strength you need during your time of loss of your mother. She was a great lady who was truly loved and will be missed by many. God bless you all.*
