Bill and I are praying that the Lord will grant the family of Jim Burton peace and comfort as you find closure. We agree, Chaplain Jim touched many lives with the love of God in his noble life. He truly cared about his family, his country, the military, the Sherriff;s Dept. and jail ministry, and his congregation, Shepard Baptist Church of Dixon. Thank God for his life! What a legacy he has left for his family and friends! May all who knew him be inspired by his life to serve the Lord and our fellow man with more respect and compassion. I'm sure he is rejoicing in Heaven now as he visits with his Lord and Savior face-to-face. We will hold his memory close to our hearts.

“ As I look at these beautiful pictures, I can't help but smile and know it was a great blessing to have known Jim. He was an amazing person who never failed to make me smile and to lend a helping hand. I will always think of Jim when hanging up bulletin board decorations at work. Anything I couldn't reach, he would always hang up for me. Of course, it was accompanied by a short joke every time! I know he will always be cheering for the Texas Rangers and shaking his head when I give a goofy trivia question answer. Jim and Jenny have always attended concerts and that support means so much to me. He made such a positive impact on our student body when he was the guest speaker at our Veteran's Day assembly a few years ago. The memories I have are many and they are sweet and so meaningful. You will be missed Jim!

“ *Jim was a great man of God who genuinely cared about every person that he met. He went out of his way to be kind to people that he hardly knew. He was a devout husband, father, and grandfather and his family knew that they were not just loved, but adored. I remember working with Jim and how he asked me about my dad's health every day that I saw him. He was truly the kind of person that touched many lives through his witness. We will continue to pray for you, Jenny, Jaimmie, Brian, Jimmie, Beth, Caleb, and Josiah in your loss.*

Jenny, My thoughts and prayers are with you and yours during this time of loss and in the days ahead. I only recently heard Jim was ill. I remember him and you with fondness. He was the one who got me connected at the Fort with Steele and we also did a counseling session at the county jail together a few years ago. You are a special person and I shall always remember getting to know you. God bless you all and draw closer to God! Here if you need anything!
