

## Patricia Ann Wilson

September 28, 1942 - January 19, 2015

Patricia Ann Wilson entered into eternal rest on Monday, January 19, 2015 at Mercy Hospital in Springfield, MO. She was born September 28, 1942 to the late Homer and Ida Mae Overton. She was educated in the Ellis County Public School System in Texas.

Patricia was a devoted wife, mother sister and friend who enjoyed bowling, cooking, spoiling her grandchildren, talking to her sisters daily, shopping, watching soap operas, and serving the Lord. She worked for many years in the food service industry. Her charismatic smile, caring heart, high energy and love of life were evident to all that had the pleasure of meeting her. She never knew a stranger that she was not willing to help.

When it came to caring for her children, there's nothing she wouldn't do. One of her favorites was giving inclement weather reports. She would watch the weather channel every morning and call if she felt they needed to be on alert. Al Roker couldn't have asked for a better assistant than Patricia. Every spring and fall, the whole family would anticipate her infamous call, "Don't forget to set your clock." You knew right away, all was right with the world. She will be loved and missed by many.

She was preceded in death by her husband, Claude Wilson, both parents and Sister Eula Faye Gregory.

She leaves to cherish her memory and carry on her infectious smile her children Anita Perez of Enterprise, AL, Wynona Bouyea (Randolph) of Bristow, VA, Patricia Story of Little Elm, TX, Billy Wilson of Denver, CO, Latesha Fields (Fabian) of Waverly, VA, and Shoshana Wilson of Waynesville, MO, brother C.H. Overton of Red Oak, TX sisters Georgia Jackson of Dallas, TX, Laura McCullar (Charles) of Waxahachie, TX, Homer Story of Dallas, TX, sister-in-law Robbie Frazier of Richardson, TX, brother-in-law George Gregory of Alamogordo, NM, Nathaniel Hopkins (Caroline) of Frost, TX, 13 grandchildren, 5 great-grandchildren, several devoted friends and a host of nieces, nephews, family and friends.
