“ *My dearest brother, Patrick,*

Words cannot express how much it grieves me that you're gone from my life. I was in total awe to find out that I had a brother. It took our cousin, Linda to locate and bring us together. I was so overjoyed to find out that I had a brother, as all this time I thought I was an only child. You are so special to my heart. I could feel your love for me, as I loved you so much. Even though you were in my life for only 1-1/2 years, I will always cherish our precious time together when I visited you and Marie in Missouri and also on Skype. I thank God that He gave you and I time together, or else I would have never known you. I miss you, my brother and I always will. Thank you for your love. Rest in peace, my brother, Patrick. You are my angel.

*Aloha, until we meet again,
Your loving sister,
Vivian Dale Tommie*

“ Patrick, my wonderful cousin. I am so very thankful that we had the last year and a half to get to know each other. I keep expecting to see you pop in on SKYPE so we could visit.
I still can't believe that you are gone. You will always hold a special place in my heart. I will miss you greatly. It hurts to not be able to make it there to tell you goodbye in person. I love you.
