“ Peggy, Vicky and Kelly, I will never forget when I was with you last. It's been a long, long time. I am so honored to have found your mom a couple of year ago, thanks to your dad. My brother and I had a few hours with your mom during her visit in California. She was happy and laughing , and a lot of fun, and she talked about you girls and how wonderful you are. I have talked with your mom on the phone many times since then. It was always good. We looked forward to our next visit. She is our Angel now, and we will see that pretty face again. This is not the end of the journey, only a fork in the road. I hope you can have peace in knowing your mom is walking with you every step of the way...My love to all of you...I am here if you ever need. me (530) 941-1572 or 241-6177 your Cousin, Judy###imported-begin##Judy Mathis Echelberger##imported-end##
