“ I'm so sorry for your loss. Uncle Paul was always full of stories and so easy to talk to. He will be missed. But he's up there dancing with Aunt Margaret now and probably having a great time. I'm sorry I can't make it to the funeral .

“ Paul is going to be greatly missed in our Sunday School class, small group, and 11:00 o'clock service at church. Besides our Christian bond, we had the bond of patriotism, service and roots in the Ozarks.

“ Our families were neighbors in Nebraska. Paul and I had some great conversations. Unfortunately, I burned quite a few burgers on the grill while we were yakking! Could not have asked for better neighbors and friends than Paul and Margaret and their kids.
