“ Jeannie, I'm in shock today at hearing about your passing. I thought it was a little odd that you helped plan our 50th reunion and you weren't there . I heard that you weren't feeling well, so I thought you'd be better.

*I remember you as a fun loving person who had a dry sense of humor. You were always involved in the school. I'm sorry to hear that you're home, but I'm counting on seeing you someday.*

*To your family, know that you're in my prayers and may God's bountiful blessings continue to fill your lives with blessings, joy, and peace.*
