“ Paula Kay was my cousin. Our mom's were sisters. Since she was 10 years younger, I always thought she was a little kid. Once when her Dad was in the service we went to visit them on the base. Near Washington DC. When we went to bed, I was going to sleep with her. She was about 2. After a while she sat up in bed and told me very seriously in her deep voice she had back then, to get up and go home! She did not want me in her bed. She said it over and over. Get up girl, go home! She was a character And will be missed by her family I'm sure. 🙏
