“ My thoughts and prayers to Pauline and Brenda – Mrs. Gibson was quite the lady. I had the honor of meeting and getting to know the family when we first moved to Missouri in 1971. I was welcomed in their home and shared many happy times with them creating memories that I still smile at today. Bless the family and my sincere condolences.

“ *We have known Mrs. Gibson since we moved here in June of 1987 with a six month old baby girl and have many memories of her interactions during daily Mass. She loved our very squirmy Elizabeth and helped keep her calm and entertained. We sat near her at Church for over 34 years and loved seeing her and greeting her every week. She will be missed by us and by many.*

“ *Our families were neighbors for many years. Mrs. Gibson was one of the nicest most even-tempered people I've ever met. She spoke at my mother's funeral and I'm so grateful for that. Sincerest condolences to Pauline and Brenda and their families.*
