“ *One Christmas we had Becky bring Ammie to our house to get her presents. My wife had bought me a new larger RC helicopter. And I was flying it in the house. Becky was afraid I was going to hurt the kids. I told her I was a professional. And told Ammie to hold still and keep your hands to your side.do not try to grab the helicopter. I landed on her head. She giggled and I took off and went to land on Becky's head. She was not as willing as the kids. So I just kept jumping from kid to kid. The children loved it. And so did I. That's just one. Then there's the time we was playing Guitar Hero. And I had just gotten the microphone. So I asked Becky to sing.(she had the voice of an angel) but I get to pick what she had to sing. I picked bohemian rhapsody by Queen. Well the joke was on me. I didn't know that was one of her favorite songs. She got 98% correct and blow my mind. I could go on and on but there's just to many good memories. R.I.P. my dear friend.*

“ She was pleasurable soul to be around.. I don't rightly embarrass real easy and myself don't have much of a filter but "wheewee" not even two weeks ago standing around b. S,ng she has me trying to hide within my skin, face burnin red from embarrassment from her oneryness.. She wanted to good, so badly.. 😞 not one time engaging in convo w her did she not speak of wanting so badly to do/ be better.... And how very proud of and much she loved her babies... Rest Peaceful and easy now Becky, release them demons and follow closely now our GOD. I'm honored to of met and get aquatinted with you.
