“ I had the opportunity to meet you last year after hearing my husband speak of you on many occasions. I am at a loss of words to know that the man that I'd always see family walking the halls of the hospital with a big smile has passed. It is a difficult time as your passing was very unexpected and still surreal to us. I pray for family that God will heal and comfort them during this time of sorrow. I will miss seeing that smile on your face. RIP gone but not forgotten.
