“ Everyone loved Uncle Richard. ❤️ I always looked forward when our Missouri family members visited us in Southern IL. We celebrated many Christmases, Thanksgivings, birthdays, and family reunions together. Many times we would all meet at Grandma Helen’s house, and in the last several year’s now, at my house. Those were the best of times and I have many happy memories of them. We have lost several close members over the past few years. All are sadly missed and Uncle Richard will be sadly missed as well. Those gatherings will never be the same without him. With love and deepest sympathy. Sheila Conner
